**SAVIN LAUNCHES THE
7025 SERIES**

Advanced Multifunction Capabilities at an Affordable Price

West Caldwell, N.J., September 24, 2007 – Savin today introduced the 7025spf Digital Imaging System. Designed for small departments, workgroups and independent businesses, the Savin 7025spf provides an easy-to-use, compact system with advanced copying, printing, scanning, faxing, and security capabilities.

The Savin 7025spf builds upon the best features of two existing products – the Savin 9021d and the Savin 8025e. The Savin 7025spf adopts the simpler, compact and affordable engine and controller of the Savin 9021d and the faster speed, and advanced finishing capabilities of the Savin 8025e. By streamlining the best features into one product, the Savin 7025spf allows for more efficient, effective and less-costly document management.

With fast copy and print speeds of 25 pages per minute (ppm) and high resolution 600 dpi, the Savin 7025spf allows users to work fast and perform at a high-level of quality. Handling time is minimized with the 50-sheet Automatic Reversing Document Feeder and printing or copying two-sided documents with the stackless duplexing capability can save paper and shelf space. In addition, with a large potential paper supply of 2,100-sheets, users don't have to keep interrupting work flow to replenish paper and can create more output in a shorter amount of time.

In today's high-connected business environment, networking capabilities are critical and the Savin 7025spf incorporates the latest features. Accepting data from Windows, Macintosh, Novell and Linux network operating systems, the Savin 7025spf can output documents with standard PCL5e/6 print drivers or optional genuine Adobe® PostScript® 3™. By utilizing PDF Direct Print, PDFs can be printed quickly without having to open an application and slow down the network. In addition, a Refined Print Command Stream (RPCS) Driver lets users simplify job settings, so even the most complex documents can be handled with one click of the mouse.

The Savin 7025spf enables users to be in control with user-friendly features such as Scan-to-Email/Folder and DeskTopBinder. Multiple users are able to access a single document at their convenience with Scan-to-Folder and documents created using different applications can be stored into one file with a single set of attributes with DeskTopBinder V5 Lite. Security is also an important component of the Savin 7025spf as it protects confidential data with advanced features such as Wi-Fi Protect Access and Secure Socket Layer (SSL) support, which scrambles data and passwords as they travel over the network.

The Savin 7025 model is available for users that require a stand-alone copier and prefer to upgrade at a later date. However, if a customer decides to purchase the stand-alone copier, various connectivity kits can be added to this model based on customers' current or future business needs. The Printer Enhance DDST Kit provides a low-cost solution for users requiring networked PCL Emulation printing and TWAIN scanning. The Printer/Scanner Kit includes Savin's Next Generation Architecture Controller and features PCL & RPCS printing as well as Scan-to-Email/Folder capabilities, Device Monitoring and the latest security features. The All-in-One-Kit includes the same features as the Printer/Scanner Kit, with the addition of Advanced (IP, Internet, and LAN) Faxing. The Fax Kit includes a 33.6 Kbps fax modem with JBIG Compression.

The suggested retail price for the Savin 7025 is \$3,200.00 and the Savin

7025spf with the standard All-in-One Kit and One-Bin Tray is \$4,940.00. To learn more about Savin's full line of multifunctional products, please visit www.savin.com.

About Savin

With its broad line of award winning network-ready digital output systems – including full color and black-and-white digital imaging system, color and black-and-white network laser printers, and fax machines – Savin is helping businesses of all sizes become more productive and efficient. The Business Technology Association (BTA) honored Savin with two 2005 “Channel’s Choice” awards, via a nationwide poll of office equipment dealers. Savin is a brand of West Caldwell, NJ-based Ricoh Americas Corporation. For more information, visit www.savin.com.

Savin 7025 Series Specifications

Engine/Copier Specifications	
Configuration	Console
Scanning Element	Flatbed with CCD Array Image Sensor
Toner	Dry Process (dual component)
Standard System Memory	16 MB (MP 2500), 384 MB (MP 2500SPF)
Document Feeder	Optional 50-sheet ARDF
Copy Resolution	600 x 600 dpi
Grayscale	256 Levels
Original Type	Sheet/Book
Original Size	Up to 11" x 17"
Copy Size	5.5" x 8.5" to 11" x 17"
Copy Type	Plain Paper, Envelopes
Warm-Up Time	Less than 26 seconds
First-Copy Speed	Less than 6 seconds
Continuous Copy Speed	25 copies/minutes (letter) 16 copies/minute (legal) 14 copies/minute (ledger)
Recovery Time (from Auto Off)	Less than 10 seconds
Power Source	120 V/60 Hz
Dimensions (WxDxH)	25.6" x 23.8" x 24.4"
Weight	121 lbs
Standard Paper Capacity	500 sheets x 2 trays 100 sheet bypass tray
Optional Paper Capacity	500 sheets x 2 trays
Paper Weight	16 to 28 lb. Bond (Tray 1) 14 to 41 lb. Bond (Tray 2 & Bypass Tray) 16 to 28 lb. Bond (Duplex Unit)
Output Tray Capacity	250 Sheets 100 Sheets One-Bin Tray (Optional) 500 Sheet Finisher (Optional)
Reduction Ratios	50%, 65%, 78%, 93%
Enlargement Ratios	121%, 129%, 155%
Zoom	50% to 200% in 1% increments
Printer Enhance DDST Kit (Optional)	
Printer Specifications	
Print Speed	25 ppm
CPU	D7801M 200 MHz
Memory Capacity	64 MB (std/max)

Standard Interfaces	Ethernet 10BaseT/100BaseTX USB 2.0
Network Protocol	TCP/IP; IPP
Network Operating	Windows 98/2000/XP/XP 64 Bits/Me/Server 2003 (Standard Edition)
Page Description Languages	PCL5e/6
Print Resolution	600 x 600 dpi
Fonts for PCL5e/6	35 Intellifonts, 10 TrueType Fonts, 1 Bitmap
Printer Features	Automatic Tray Select, Duplex Printing, Envelope Printing, Watermarks
Scanner Specifications	
Scanning Resolution	600 dpi
Scan Area	Up to 11" x 17"
Standard Interfaces	10BaseT/100BaseTX; USB 2.0
Protocol	TCP/IP
Scanner Features	Black & White TWAIN Scanning, Duplex Scanning
Printer/Scanner Kit (optional)	
Print Speed	25 ppm
CPU	RM5231 400 MHz
Memory Capacity	384 MB (std/max)
Standard Interfaces	Ethernet 10BaseT/100BaseTX USB 2.0
Optional Interfaces	IEEE 802.11b Wireless LAN, Bluetooth, IEEE 1284 Parallel
Network Protocol	TCP/IP; IPX/SPX; AppleTalk; SMB
Utilities	SmartDeviceMonitor, Web Image Monitor, Web SmartDeviceMonitor, DeskTopBinder Lite
Page Description Languages	Standard RPCS, PCL5e/6, Optional Genuine Adobe® PostScript® 3™
Print Resolution	600 x 600 dpi
Fonts for PCL5e/6	35 Intellifonts, 10 TrueType Fonts, 1 Bitmap, 13 International Fonts
Fonts for PS3	136 Roman Fonts
Printer Features	Automatic Tray Select, Auto Tray Switching, Duplex Printing, Envelope Printing, Watermarks
Scanner Specifications	
Scanning Speed	Scan-to-Email/Folder: 40 ipm @ 200 dpi, Letter Size

Scanning Resolution	600 dpi
Grayscale	256 Levels
Scan Area	Up to 11" x 17"
Standard Interfaces	Ethernet 10 BaseT/100BaseTX
Optional Interfaces	IEEE 802.11b Wireless LAN
Protocol	TCP/IP
File Format	TIFF; PDF
Scanner Features	Black & White Scanning, Duplex Scanning, Embedded Scan-to-Email, Image Rotation, Network TWAIN Scanning, Scan-to-Folder
Fax Specifications (optional)	
Circuit	PSTN, PBX
Compatibility	ITU-T G3
Resolution	200 x 100/200 dpi
Compression Method	MH, MR, MMR, JBIG
Scanning Speed	.8 Seconds
Modem Speed	33.6 Kbps – 2,400 bps w/Auto Fallback
Transmission Speed	G3: 3 seconds/page (w/MMR) G3: 2 seconds/page (w/JBIG)
Memory	4 MB
Memory Backup	1 hour
Quick Dials	32
Speed Dials	150
Group Dials	10 (max. 100 per group)
ID Code Programming	4 Digits
User Function Key	3 keys
